"Do it with passion or not at all."

Summary

Current co-founder and COO of Lisee Technology Corporation. 5+ years experience specializing in project management for research and development, web development and marketing at Friends Corporate Technologies. I have been a part of some other startups related to real estate, marketing, and automation. A super nerd who loves entrepreneurship, deep learning, and enjoys to develop the idea to reality. Interested in devising a better problem-solving method for challenging tasks, and learning new technologies and tools if the need arises..
